Commissioner for Patents  
U.S. Patent and Trademark Office  
Washington, D.C. 20231

Statement of Facts

1. On July 12, 1999, Applicants filed international application PCT/IL99/00381, which claimed priority to an earlier Israeli application, filed July 20, 1998. A copy of the international application was communicated to the U.S. Patent and Trademark Office from the International Bureau on February 3, 2000. A Demand for international preliminary examination, in which the United States was elected, was filed on February 11, 2000, prior to the expiration of nineteen (19) months from the priority date. The thirty (30) month period for paying the basic national fee in the United States expired at midnight on January 22, 2001 (January 20, 2001 was as Saturday).

2. On January 19, 2001, Applicants filed national stage papers in the United States Designated/Elected Office (DO/EO/US). The submission was accompanied by, *inter alia*, the basic national fee required by 35 U.S.C. § 371(c)(1).

3. On February 26, 2001, the DO/EO/US mailed a Notification of Missing Requirements under 35 U.S.C. § 371 (Form PCT/DO/EO/905), which indicated that an oath or declaration in compliance with 37 C.F.R. § 1.497 must be filed. A copy of this is provided as Exhibit A.

4. On April 26, 2001, Applicants filed a Response to the Notification of Missing Requirements. Included with the Response were (1) the Transmittal Letter, (2) the executed Declaration and Power Attorney, (3) a copy of Notification of Missing Requirements, (4) Request for One Month Extension of Time, (5) a check for \$175.00 for the Request for Extension, and (6) Return Postcard. Copies of the Response along with the indicated documents are provided herewith as Exhibit B.

5. A Certificate of Mailing was included on each of the Response, the Transmittal Letter, and the Request for Extension of Time and was executed by Robert King on April 26, 2001, the date on which the Response and the documents indicated in paragraph (4) were mailed.

6. On April 30, 2001, the Response to the Notification of Missing Requirements was received by the U.S. Patent and Trademark Office - PCT Division, and the Return Postcard was stamped with the April 30, 2001 date. A copy of the stamped Return Postcard is provided herewith as Exhibit C.

7. On September 19, 2001, the DO/EO/US mailed a Notification of Abandonment (Form PCT/DO/EO/909), which indicated that the present application is abandoned as to the United States for failure to timely respond to the Notification of Missing Requirements within the response period set therein. A copy of this is provided as Exhibit D.

8. On September 27, 2001 Applicants attorney contacted Deborah Williams and her supervisor Ms. Green of the PCT Division regarding the Notification of Abandonment. Ms. Williams telephoned Applicants attorney indicating that she would investigate the Notification of Abandonment and get back to Applicants attorney at the end of the day, September 27, 2001.

9. On October 1, 2001, after not hearing from Ms. Williams, Applicants' attorney contacted and left a message for Ms. Williams inquiring the status of her investigation into the Notification of Abandonment.

10. On October 2, 2001, Applicants' attorney discussed with Ms. Williams the status of the investigation. Ms. Williams indicated that her request for the file has not been responded to, and that she will request the file again and get back to Applicants' attorney.

11. On October 11, 2001, Ms. Williams telephoned Applicants' attorney indicating that the Response to the Notification of Missing Requirements, mailed on April 26, 2001, was never received by the DO/EO/US. Ms. Williams suggested that the Response along with all papers originally filed with the Response to the Notification of Missing Requirements be facsimile transmitted to her at (703) 305-3230.

12. On October 11, 2001, after talking with Ms. Williams, Applicants' attorney transmitted by facsimile the documents requested by Ms. Williams. Provided herewith as Exhibit E.

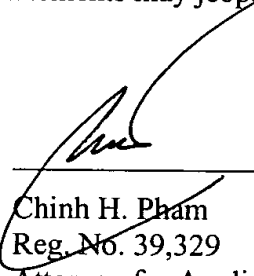

13. On October 15, 2001, Applicants' attorney contacted Ms. Williams to inquire whether Ms. Williams had received the facsimile transmitted documents. Ms. Williams indicated that she had received them. Copies of the notes memorializing the conversations, mentioned above, between Ms. Williams and Applicants' attorney are provided herewith as Exhibit F.

14. On December 5, 2001, a decision by the PCT Division was mailed in response to the documents filed by Applicants' attorney on October 11, 2001. The copies of the Response to Notification of Missing Requirements, along with the accompanying documents, were deemed a "Request" to accord the accompanying declaration an original filing date. The decision dismissed the Request. A copy of the decision is provided herewith as Exhibit G.

15. Applicants provide herewith a Renewed Petition Under 37 C.F.R. § 1.181.

The undersigned hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

DECISION

This is in response to applicants' letter filed 11 October 2001, which is being treated as a request to accord the accompanying declaration an original filing date of 30 April 2001.

### BACKGROUND

On 12 July 1999, applicants filed international application PCT/IL99/00381, which claimed priority of an earlier Israel application filed 20 July 1998. A copy of the international application was communicated to the USPTO from the International Bureau on 03 February 2000. A Demand for international preliminary examination, in which the United States was elected, was filed on 11 February 2000, prior to the expiration of nineteen months from the priority date. Accordingly, the thirty-month period for paying the basic national fee in the United States expired at midnight on 22 January 2001 (20 January 2001 was a Saturday).

On 19 January 2001, applicants filed national stage papers in the United States Designated/Elected Office (DO/EO/US). The submission was accompanied by, *inter alia*, the basic national fee required by 35 U.S.C. 371(c)(1).

On 26 February 2001, the DO/EO/US mailed a Notification of Missing Requirements Under 35 U.S.C. 371 (Form PCT/DO/EO/905), which indicated that an oath or declaration in compliance with 37 CFR 1.497 must be filed.

On 19 September 2001, the DO/EO/US mailed a Notification of Abandonment (Form PCT/DO/EO/909), which indicated that the present application is abandoned as to the United States.

**RECEIVED**

DEC 14 2001

hwp

States for failure to timely respond to the Notification of Missing Requirements within the response period set therein.

On 11 October 2001, applicants filed the present petition. The petition states that it is accompanied by a copy of a response to the Notification of Missing Requirements purportedly filed on 30 April 2001 and a copy of a return postcard receipt.

### DISCUSSION

MPEP 503 states in relevant part,

The postcard receipt will not serve as *prima facie* evidence of receipt of any item which is not adequately itemized on the postcard. . . . Each separate component should be specifically and properly itemized on the postcard. Furthermore, merely incorporating by reference in the postcard receipt, the items listed in a transmittal letter will not serve as *prima facie* evidence of receipt of those items.

In the present case, the copy of the return postcard receipt filed with the present request does not list a declaration in its itemized contents. The listing of a "Response to Notification of Missing Requirements" is insufficient. As set forth above, incorporation by reference in a postcard receipt does not serve as *prima facie* evidence or receipt of those items.

It is further noted that the declaration filed 11 October 2001 is improper because it is illegible.

### CONCLUSION

For the reasons above, the petition is DISMISSED without prejudice.

If reconsideration on the merits of this decision is desired, a proper response must be filed within TWO (2) MONTHS from the mail date of this decision. Any reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.181".

Please direct further correspondence with respect to this matter to the Commissioner for Patents, Box PCT, Washington, D.C. 20231, and address the contents of the letter to the attention of the PCT Legal Office.

Statement of Facts

1. On July 12, 1999, Applicants filed international application PCT/IL99/00381, which claimed priority to an earlier Israeli application, filed July 20, 1998. A copy of the international application was communicated to the U.S. Patent and Trademark Office from the International Bureau on February 3, 2000. A Demand for international preliminary examination, in which the United States was elected, was filed on February 11, 2000, prior to the expiration of nineteen (19) months from the priority date. The thirty (30) month period for paying the basic national fee in the United States expired at midnight on January 22, 2001 (January 20, 2001 was as Saturday).

2. On January 19, 2001, Applicants filed national stage papers in the United States Designated/Elected Office (DO/EO/US). The submission was accompanied by, *inter alia*, the basic national fee required by 35 U.S.C. § 371(c)(1).

3. On February 26, 2001, the DO/EO/US mailed a Notification of Missing Requirements under 35 U.S.C. § 371 (Form PCT/DO/EO/905), which indicated that an oath or declaration in compliance with 37 C.F.R. § 1.497 must be filed. A copy of this is provided as Exhibit A.

4. On April 26, 2001, Applicants filed a Response to the Notification of Missing Requirements. Included with the Response were (1) the Transmittal Letter, (2) the executed Declaration and Power Attorney, (3) a copy of Notification of Missing Requirements, (4) Request for One Month Extension of Time, (5) a check for \$175.00 for the Request for Extension, and (6) Return Postcard. Copies of the Response along with the indicated documents are provided herewith as Exhibit B.

5. A Certificate of Mailing was included on each of the Response, the Transmittal Letter, and the Request for Extension of Time and was executed by Robert King on April 26, 2001, the date on which the Response and the documents indicated in paragraph (4) were mailed.

6. On April 30, 2001, the Response to the Notification of Missing Requirements was received by the U.S. Patent and Trademark Office - PCT Division, and the Return Postcard was stamped with the April 30, 2001 date. A copy of the stamped Return Postcard is provided herewith as Exhibit C.

7. On September 19, 2001, the DO/EO/US mailed a Notification of Abandonment (Form PCT/DO/EO/909), which indicated that the present application is abandoned as to the United States for failure to timely respond to the Notification of Missing Requirements within the response period set therein. A copy of this is provided as Exhibit D.

8. On September 27, 2001 Applicants attorney contacted Deborah Williams and her supervisor Ms. Green of the PCT Division regarding the Notification of Abandonment. Ms. Williams telephoned Applicants attorney indicating that she would investigate the Notification of Abandonment and get back to Applicants attorney at the end of the day, September 27, 2001.

9. On October 1, 2001, after not hearing from Ms. Williams, Applicants' attorney contacted and left a message for Ms. Williams inquiring the status of her investigation into the Notification of Abandonment.

10. On October 2, 2001, Applicants' attorney discussed with Ms. Williams the status of the investigation. Ms. Williams indicated that her request for the file has not been responded to, and that she will request the file again and get back to Applicants' attorney.

11. On October 11, 2001, Ms. Williams telephoned Applicants' attorney indicating that the Response to the Notification of Missing Requirements, mailed on April 26, 2001, was never received by the DO/EO/US. Ms. Williams suggested that the Response along with all papers originally filed with the Response to the Notification of Missing Requirements be facsimile transmitted to her at (703) 305-3230.

12. On October 11, 2001, after talking with Ms. Williams, Applicants' attorney transmitted by facsimile the documents requested by Ms. Williams. Provided herewith as Exhibit E.

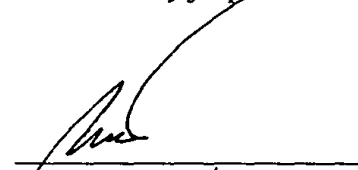

13. On October 15, 2001, Applicants' attorney contacted Ms. Williams to inquire whether Ms. Williams had received the facsimile transmitted documents. Ms. Williams indicated that she had received them. Copies of the notes memorializing the conversations, mentioned above, between Ms. Williams and Applicants' attorney are provided herewith as Exhibit F.

14. On December 5, 2001, a decision by the PCT Division was mailed in response to the documents filed by Applicants' attorney on October 11, 2001. The copies of the Response to Notification of Missing Requirements, along with the accompanying documents, were deemed a "Request" to accord the accompanying declaration an original filing date. The decision dismissed the Request. A copy of the decision is provided herewith as Exhibit G.

15. Applicants provide herewith a Renewed Petition Under 37 C.F.R. § 1.181.

## DECISION

This is in response to applicants' "Renewed Petition Under 37 CFR §1.181" filed  
15 January 2002.

**BACKGROUND**

On 12 July 1999, applicants filed international application PCT/IL99/00381, which claimed priority of an earlier Israel application filed 20 July 1998. A copy of the international application was communicated to the USPTO from the International Bureau on 03 February 2000. A Demand for international preliminary examination, in which the United States was elected, was filed on 11 February 2000, prior to the expiration of nineteen months from the priority date. Accordingly, the thirty-month period for paying the basic national fee in the United States expired at midnight on 22 January 2001 (20 January 2001 was a Saturday).

On 19 January 2001, applicants filed national stage papers in the United States Designated/Elected Office (DO/EO/US). The submission was accompanied by, *inter alia*, the basic national fee required by 35 U.S.C. 371(c)(1).

On 26 February 2001, the DO/EO/US mailed a Notification of Missing Requirements Under 35 U.S.C. 371 (Form PCT/DO/EO/905), which indicated that an oath or declaration in compliance with 37 CFR 1.497 must be filed.

On 19 September 2001, the DO/EO/US mailed a Notification of Abandonment (Form PCT/DO/EO/909), which indicated that the present application is abandoned as to the United

States for failure to timely respond to the Notification of Missing Requirements within the response period set therein.

On 11 October 2001, applicants filed a copy of an executed declaration purportedly filed on 30 April 2001, a copy of a return postcard receipt, and a petition to accord the declaration an original filing date of 30 April 2001.

On 05 December 2001, this Office mailed a decision dismissing the 11 October 2001 petition on grounds that the return postcard receipt did not contain a declaration in its itemized contents.

On 15 January 2002, applicants filed the present renewed petition along with the affidavit of Robert King.

### DISCUSSION

MPEP 503 states, in relevant part,

The postcard receipt will not serve as *prima facie* evidence of receipt of any item which is not adequately itemized on the postcard. . . . Each separate component should be specifically and properly itemized on the postcard. Furthermore, merely incorporating by reference in the postcard receipt, the items listed in a transmittal letter will not serve as *prima facie* evidence of receipt of those items.

In the present case, the copy of the return postcard receipt does not list a declaration in its itemized contents. The listing of a "Response to Notification of Missing Requirements" is insufficient. As set forth above, incorporation by reference in a postcard receipt does not serve as *prima facie* evidence or receipt of those items. Because applicants have not submitted a properly itemized stamped return postcard receipt, applicants are not entitled to the relief requested. The submission of affidavits, including those by persons with firsthand knowledge of the mailing of the correspondence in question, does not remedy the lack of a proper return postcard receipt.

It is further noted that a legible declaration still has not been filed.

### CONCLUSION

For the reasons above, the renewed petition is DISMISSED without prejudice.

If reconsideration on the merits of this decision is desired, a proper response must be filed within TWO (2) MONTHS from the mail date of this decision. Any reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.181".
